

## 2025 Remote Consulting Terms and Conditions

To Our Valued Clients,

Remote consulting subscriptions are now offered to suit 90-Day crop establishment periods, or 180-Day season-long timeframes.

Remote Consulting Service	Individual (One user/sole operator per account)	Corporate (Two-five users per account)
<b>90 Day</b> (up to 10 hours*)	AUD 450	AUD 855
<b>180 Days</b> (up to 20 hours*)	AUD 765	AUD 1,453
<b>Digital Connection:</b> WhatsApp, Messenger, WeChat, Email, Mobile call etc.		
<b>Additional hours</b> (past *Fair Use hours) are charged at AUD 45/hour		
<b>Specified outcome, time critical work.</b>	Quoted at AUD 80/hour. Provide scope of work, expected delivery date and outcomes.	

### Terms and Conditions:

- **All RC subscription fees** are payable in advance and service commences or continues after payment received. 5% discount for the 180-Day options. Unused subscriptions are forfeit at the start of a new subscription period.
- **Remote Consulting services** are designed as rapid response to current production problems including diagnosis and recommendation for resolving crop nutrition and crop protection issues on farm. Additional hours may be required or requested and are invoiced monthly during the subscription period at AUD 45/hour.
- **Consulting work** with specified outcomes, like Crop Programs, Soil Test reports and time critical projects, are quoted separately at AUD 80/hour. If accepted, work commences after payment received.

**Disclaimer:** This remote consulting service is completely independent of product suppliers and product recommendations rely solely on the information supplied by manufacturers about their products. As I have no control over the weather, nor the way products are stored, mixed and used, I will not be held liable for product performance under any conditions. The client decides to use my recommendations at their own risk.
